## PRESS RELEASE

---

### TOM GETS THE CAT AND THE CREAM!

Wouldn't you just love it if a beautiful white Jaguar XJ was delivered to (and collected from) your door, tank full? Well that's just what happened to Tom Green, MD of Charles Green and Son who won this magnificent prize (for a week!) by out-bidding several rivals at last year's Jewellery & Giftware Ball.

As well enjoying the delights of a luxury, high performance vehicle packed full of innovative technology, Tom also helped towards raising £15,000 for the trade's charity, the British Jewellery Giftware & Finishing Federation Benevolent Society. *The prize was kindly donated by Jaguar UK to whom the Society is truly indebted.*

Tom is a true 'friend' of the Society, having recently joined the Board of Trustees and whose company sponsors the Charles Green Cash Prize Draw, another popular fund-raiser at the Ball.

If you would like to attend or sponsor this year's Jewellery & Giftware Ball (6 December, Clarendon Suites, Birmingham) which is also hosting the BJA's 125<sup>th</sup> Anniversary Awards, or would like further details about the Society contact Lynn Snead on 0121 744 1046, [Lynn@teg.co.uk](mailto:Lynn@teg.co.uk), or go to <http://www.batf.uk.com/en/benevolent-society/ball.cfm>.
